

## Replica Pewter Engines

### Product Description

Die Cast Pewter Designs are meticulously handcrafted to a high level of detail, painstakingly finished and buffed by hand to enhance the pewter's naturally soft sheen. Each piece will be uniquely different like any limited edition original work of art.

#### Custom Quote:

Due to a variation in molds, tooling and assembly time, three-dimensional and bas-relief sculptures and replica vary widely in price. Please supply fax or art or photo so we can see detail of design. Indicate size quantity to be reproduced. We can help in designing an art piece to fit your budget.

#### Production Time:

Normal manufacturing time requires is one to three weeks for a proof and two to four weeks after approval of proof. Plated pieces require an additional two weeks.

Please contact us for delivery schedule and pricing.
